

Commercial Batting Cages by Sport Court of Texas

Sport Court of Texas provides commercial batting cages for rec centers and other large facilities in Austin, Dallas, Houston, San Antonio, Texas and their surrounding areas.

With the number of youth and adult baseball leagues and teams growing, batting cages can be the main feature or a complementary component of your facility. Once they are installed, the on-going operating costs are relatively low compared to other attractions.

From the initial installation through on-going support and customer service, each customer remains a priority. Once you are committed to a Sport Court of Texas commercial batting cage we, in turn, are committed to you.
