

DEFENSE™

Economical

Defense is a low-maintenance, low-cost solution that is ideal for facilities with limited budgets.

Moisture resistance

Excellent moisture resistance prevents water damage and surface issues caused by humidity, water problems or vapor emissions from concrete, while protecting the surface from fungi, bacteria and other organisms.

Roller recommended

Patented sub-structure geometry makes Defense the recommended surface for in line skates and other roller activities.

Odor free installation

Defense playing surfaces can be installed by your local certified CourtBuilder™ quickly and efficiently without smelly adhesives.

Durable

Engineered to hold up to repeat traffic from multiple sports without costly refinishing.

Proud to be the official court of the most demanding athletes in the world.™
